

Classic Panelled (Georgian/Cassette) Door

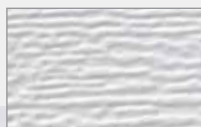

- 40 MM THICK STEEL SECTIONS
- DOUBLE SKINNED, HEAT INSULATED DUE TO HIGH - STRENGTH PU RIGID FOAM CORE

Distinctive appearance

The elegant surface with the large cassette elements gives the door a high-quality, impressive appearance. The harmonious look of the doors is achieved by the evenly arranged cassettes. The elegant and extremely robust "woodgrain" surface structure is also available for doors with a "panelled (Georgian/Cassette)" design.

Surface:

"woodgrain"

With stylish cross mullion glazing.

Stylish glazing elements
